Undergrad Divider

Throughout the years, staff and students watch each other as we grow. Some of us become more outgoing, some find themselves a different style, and some of us become more mature, others - less mature!

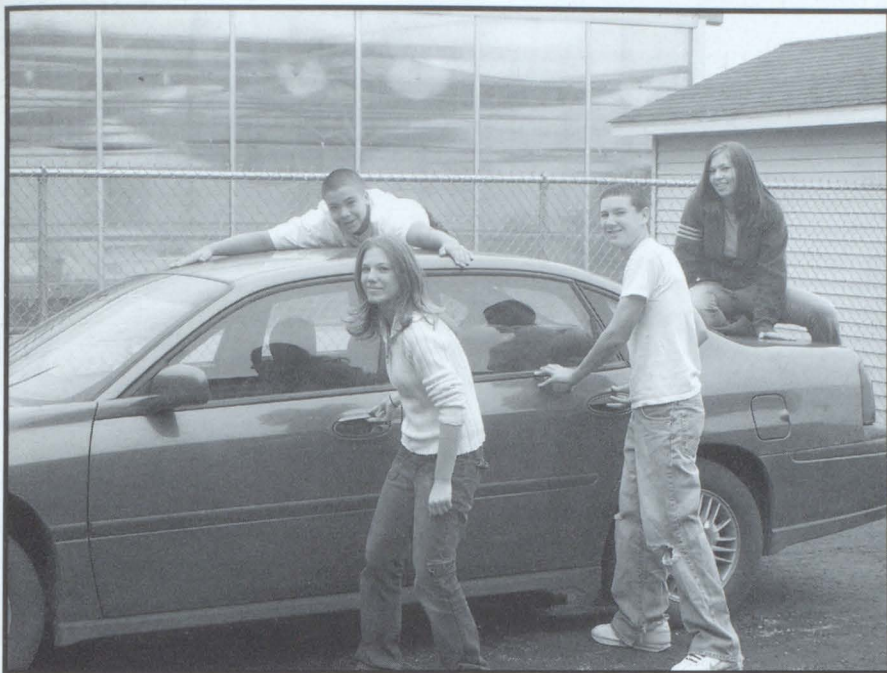

Whichever the case, everyone moves one year closer to busting out of highschool and bursting into real life.

You'll always remember the things you said, the things you did and the people you knew.

These undergrad years are where many of the most memorable memories are made.

Home of the Chiefs

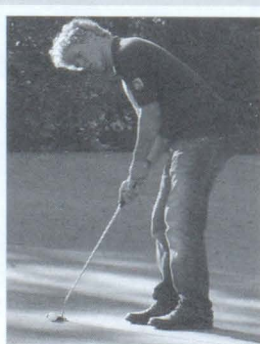

The Varsity Wrestling, Varsity Girls Basketball and the Varsity Baseball teams both took home the district titles this year!

Chris Botwin waits patiently for the pitch in attempt to smoke it over the fence.

Dani Kiss throws in a pitch showing exquisite form on the mound.

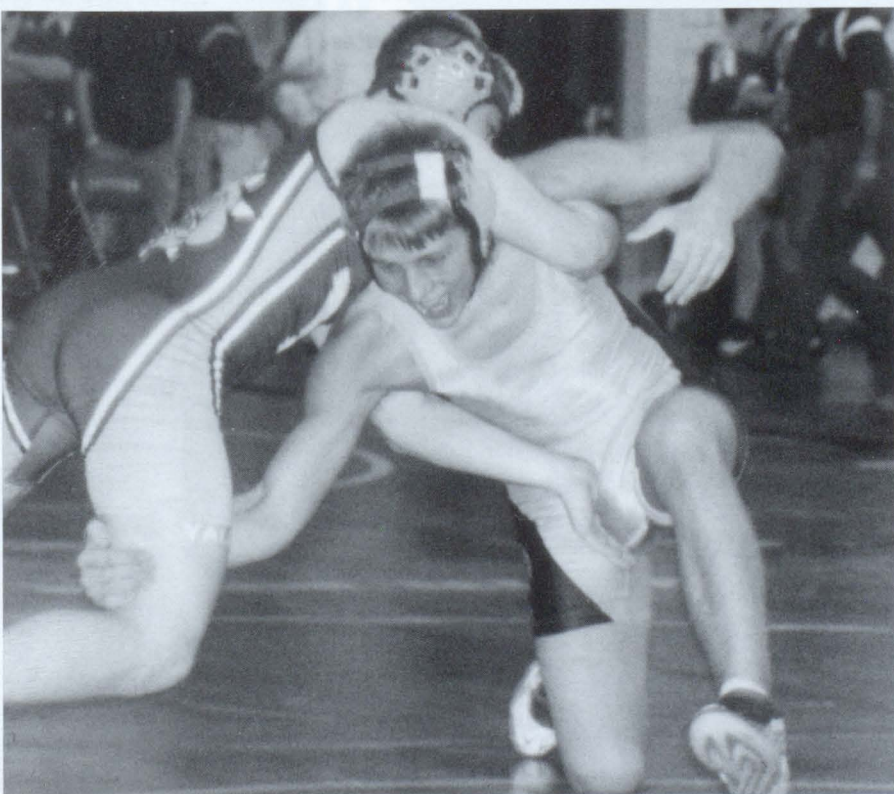

Chris Omrod shows complete concentration on the green so that he is able to sink this hole winning putt.

Joe Camire shows off his endurance while he pushes himself to the finish line.

The Chiefs athletics prove to have had a succesful year, once again. Beginning with the Girls Basketball team winning the Distcit title in Fall, along with a Wrestling Title in the Winter. Not to mention the Varsity Baseball team taking their district by defeating Almont in the final innings. But, we must not forget about Donnie Hunsucker and Ryan Manger making it to wrestling states which took place in March at the Palce of Auburn Hills. Chiefs Bowling were also on a roll making it to Bowling States. We are all very proud of our athletes and athletic programs. Mr. Topie was honored this year for recieving his 300th win with his varsity team this year. (It made it all that much better that the win was against Imlay City) This was just a spectacular season for all of our Chiefs!

FRESHMAN

This year proved as a year for learning for the freshman football team. Led by Kevin Bollaert at quarterback, Jon Carroll at receiver, and Chris Bruce also proved to be a threat playing both ways at full back and safety. Joe Harvey played both ways at tight end, defensive

end and sometimes even quarterback. Mike Walker was a specialist returning kicks and punts for big yards. Learning from Coach Baba and Coach Rosas these kids will be sure winners by the time they reach the varsity level. Hopefully in the next year they can reach their goals.

David Holland

David,

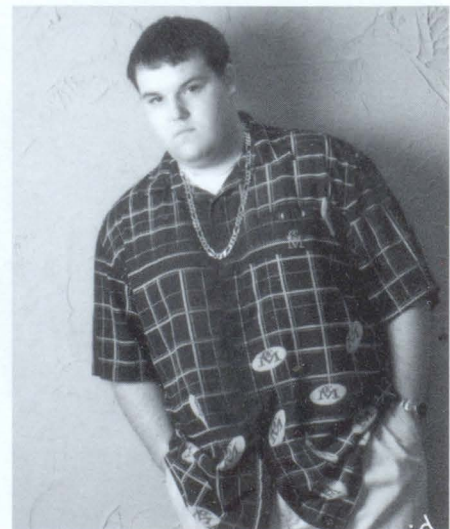

Sometimes we need reminders in our lives of how much people care. If you ever get that feeling, I want you to remember this...I love you son, beyond words

that can even begin to tell you how much. I am so proud of you, and thankful to the years you have given me. If I were given a chance to be anything I wanted to become, there's nothing I would rather be... than your parent. And there is no one I would rather have...as my son!

Congratulations...

We knew you could do it!

Love Always, Mom, Dad & Scott

Adam Blumerich

Ashley Alan Colette & Raymond Wright Boadway

Cousins by birth, best friends by choice.

Alan & Ashley, from "breaking out" of the playpen to Snowcoming King & Queen and "Top Ten" in your class, inseparable, you've done it all as a dynamic duo. As you go off to college remember that success is peace of mind which is a direct result of self-satisfaction in knowing you did your best to become the best you are capable of becoming. Always be a first-rate version of yourself, instead of a second-rate version of somebody else and you'll go far. Keep being unique and original! You can do whatever you set your mind to do.

We love you,
Mom, Dad, Brad, Brett & Caylyn.

If cousins were flowers, I'd still pick you.
I'd let the sun shine so you'd never be blue.
I'd show the world how beautiful you grew
With bright bold colors and
strength through and through.
If cousins were flowers,
I'd pick you right away
Because you cheer me up
and bring smiles each day.
If cousins were flowers, for what it's worth,
I'd always pick you- the best cousin on Earth!

Christopher Ballard

Congratulations Chris!

We are so proud of you. Watching you grow into the wonderful young man you are today has filled our hearts with pride and joy.

Danielle Renee Klocke

We were visiting Grandma Smith's when you were little. You came racing around the kitchen corner, just giddy about something, and Aunt Cathy said, "She just lights up the room doesn't she?" You haven't changed a bit and you continue to light up rooms. We

have been blessed, and we are so very proud that you've grown to be such a lovely young woman.

Your Mom and Dad love you! Jess and Joe too!

FIRE UP CHIPS!

Victoria Yvonne Plemmons

"Where do the years go,
how quickly they fly,
as our beautiful daughter
grew up, now telling
Capac High School good-bye"

You've been our little princess since the day you were born, our blessing forever with the warmest, and kindest heart. Your enduring inner strength has been a wonderful influence to your brother and sister. Congratulations to our sweet and occasionally "Dory" daughter! Love always,
Dad, Mom,
Christopher, and
Emily

Alan Raymond Boadway

You make us proud. There is a quiet strength within you, made up of honesty, loyalty, integrity and humbleness in your academic and athletic achievements. You have never allowed others to influence your beliefs or behavior. It has been, and will continue to be, a privilege to share in your life as you move forward to whatever future you choose. We love you, Son.

Dad, Mom, Brett, Caylyn
(Dakotah-Mitty)

Casey Lynn Albany

From the moment you were born you "lit up" our lives. You are a very special young lady. Always remember we love you and are very proud of who you are. Follow your dreams and be happy!
Love,
Mom, Dad and David

Victoria E. Smith

Victoria,
I love you and am so proud of
you!
Mom

Ashley Colette Wright

One of the most precious gifts is a Daughter to love and you are—beyond a doubt— a daughter beyond our greatest dreams. We are so proud of you. You'll always be our princess! Your smile & laughter fill our hearts with joy and your inner beauty is matched by what the eye sees.

We are constantly amazed as we watch you stand up for your beliefs (even when they aren't popular), defend the weak and underprivileged (even when others won't), and push yourself to be the best you can be.

As you leave your childhood behind keep the confidence to face challenges, keep helping others along the way, never stop dreaming, and listen to your heart— you will go far.

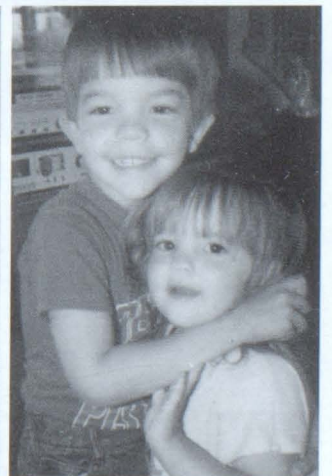

Remember that it is far better to fail in originality than to succeed in imitation.

You are an original.

Keep it that way.

We love you more than words can say.

Mom, Dad & Brad

Joey Ruprecht

Congratulations Joey!

In all you do, do it with love. In your heart, and a smile on your face.

Here at Capac High we've all made many memories. Some good and some bad. But those are the moments that we will never forget. The stories that we will tell our kids are created here. So we have to live each day with no regrets, because these are the best years of our lives!

Editors and Advisors

Mr. Lengemann
Advisor

This was a "unique"

yearbook class. But at least we had two great editors and one great advisor. Nicole left a mark in the yearbook and Sara is coming back next year. So look out.

Above: Sara and Nicole help each other out all the time, even in the hallways. **Right:** Sara and Nicole take a quick shot outside with some of the yearbooks they helped put together in previous years.

Above: Nicole Wilson was our senior editor this year. She was a great editor and knew what was going on. She will be missed in room 402. **Below:** Lengemann works diligently in class.
